Rides  – ride when you want, where you want. However, or you can join a group heading in a particularly direction – see above. We are planning to have a rider who knows the route present on most rides for the times published. However you may need to be more self-sufficient on some of the longer 'Self-guided' rides. Use the 'RidewithGPS' routes from the links to also ride at other times.

Accommodation – There is a range of accommodation in and around Mendooran – but for an event like this be early to book. The strength of Mendooran are the camping options – the Showground (plenty of undercover space and hot showers), beside the Castlereagh River,. Use the 'Accommodation-Tours-Transport' tab on the CWCT website for guidance, follow the links: [CLICK HERE FOR ACCOMMODATION](#) OR refer to the '[QUICK REFERENCE ACCOMMODATION GUIDE](#)'.

TENTS FOR HIRE!! – camping options is Mendooran’s strength

The best option we can find for tent & camping equipment hire is : <https://www.overnightadventures.com/camping-equipment-rental> Ask for the tent be delivered and picked up from the Mendooran Showground.
